

## A Letter of Gratitude for Our Donors

### Our Heartfelt Thank You

We wish to thank all of our supporters who have joined with us in keeping Max Kappeler's legacy alive. We are grateful that you share the spiritual goals of Max Kappeler and the Kappeler Institute USA. Your partnership in support of the idea is invaluable to our worldwide mission.

### A Love for the Divine Idea

Each day we at the KI USA are filled with enthusiasm for our work—we love it. We love Kappeler's pioneering spirit, and we admire his tireless work to bring the Science of Christian Science to the world. Kappeler saw the need for a complete mutation in world consciousness based on the divine categories of God, the basis of a universal Science of all sciences. And his love of Science just kept on giving—to the idea, and to us.

### Your Giving

We know from our discussions with donors that each supporter desires to give something back to Kappeler in gratitude for his revolutionary teachings. The Kappeler Institute for the Science of Being welcomes donations of all kinds, and as a nonprofit, tax-exempt 501(c)3 corporation under the laws of the State of Delaware, USA, your monetary gifts and bequests are tax-deductible.

### A Note About Stewardship

KI USA remains a strong steward of its resources. Please know that your donations are well cared for and needed to meet our mission.

### Partnership

Our partnership with donors is indispensable. To inform us of your preferences, or to provide KI USA with an ongoing or sustaining gift, please print and mail in our [Donation Form](#). Or, you may provide a quick [online donation](#).

On behalf of the Kappeler Institute directors and staff, thank you so much for your generosity.

With warm regards,

Joel Jessen, President
